Pressense, W. Va., November 23, 1896.

Bear Lithia Water Compress;

Giswingsten. — How can I show you my
gratitude for the relief that I have received
from the case of water sent me? My case
was truly a sad one, and slight pallitation
all that I hooked for, but to feel as in my
boyheed and prime again—to stand in the
pulpit as when in my prime, second out of
the question; and yet so it is. God bless
you my heart says. I rotum case and
empty bottles to-day to be redilled, and
shall wait impatiently for its return. I could
not refuse sending some of the water to
persons who were suffering as I was, and in
every lexitance the relief was the same. Let
me know in what way I can show my
gratitude and I will gladly comply.

Tours truly, JOHN LANDSTREET.
